

## **Incoming WHATLEY Program (formerly PRIDE) 5th grade**

### **Summer Work**

**Note: If you are in the WHATLEY Program for just one subject, please complete the work for that subject and the work for the non-WHATLEY subject through your regular teacher.**

### **Language Arts**

1. Complete the summer reading log
2. Spend at least an hour a week on IXL. After logging into IXL, click on Skill plans. There should be one called Summer Boost: Language Arts. These are the skills you should be working on. Feel free to spend more time on IXL - it won't hurt!!

### **Math**

Spend at least an hour a week on IXL. After logging into IXL, click on Skill plans. There should be one that looks like your math workbook for this year. These are the skills you should be working on. Feel free to spend more time on IXL - it won't hurt!!

Incoming 5th grade

**PRIDE Daily Reading Log**

Each day, even holidays and weekends, read for at least 10 minutes. Color in the box to the right of the date to show that you did read for at least 10 minutes. If you miss a day, then you need to read for extra minutes after to catch up. Mom or Dad needs to sign the bottom, and you need to return it when you return to school in August.

Happy Reading - Mrs. Pilcher
