

Incoming 8th grade WHATLEY Program (formerly PRIDE) Summer Math Work

Students should complete the activities posted in math space each week. Students can join this class by visiting <https://mathspace.co/join/> and using this code: **UUM36E**
Doing more than the posted activities would be a real boost to the student's math skills!

Incoming 7th grade WHATLEY Program (formerly PRIDE) Summer Math Work

Students should complete the activities posted in math space each week. Students can join this class by visiting <https://mathspace.co/join/> and using this code: **UUNDNY**
Doing more than the posted activities would be a real boost to the student's math skills!

Incoming 6th grade WHATLEY Program (formerly PRIDE) Summer Math Work

Students should spend at least an hour each week on IXL. More would be wonderful!! I have recommended MANY skills. Students may choose to complete the ones they would like. I will be able to keep track of what they complete through the program.
