

Incoming Kindergarten Summer Packet

Dear Parents,

We have learned so much this year:

- Identifying some letters
- Identifying the sounds of letters
- Writing letters, names
- Rhyming words
- Identifying numerals
- Counting objects to 10
- Making patterns
- Identifying shapes
- Measuring

...and more

Enclosed in this packet are activities that you can do with your child this summer to help review things your child has learned in school this year. Continue to review letters, numbers, counting, name writing, etc. so that your child will retain it during the summer months.

Enclosed in the packet are:

- websites
- Easy reader books, books to check out at the library
- Pre-K Summer book bingo

Here is a workbook that we recommend for over the summer. This is a recommendation, not mandatory. Found at Barnes and Noble, Amazon, Five Below, and other stores.
